I'm fine without him if that works everyone else in. I do want Lisa to join us.

I will be out of state on another assignment Wednesday May 31 – Friday June 2. June 1 is out for me, although I could call in on June 2. If June 1 is the only date that works for the group, I could get Erin Formanek and Sean Coan call in, in my absence.

**Subject:** Response to USEPA/MDEQ Comments Regarding CFAC Phase I DSR and SLERA

Good afternoon Mike,

Roux Associates, on behalf of CFAC, is providing the attached responses to the comments provided by USEPA and MDEQ on the Phase I Site Characterization Data Summary Report and the Screening Level Ecological Risk Assessment.

During our project meeting held at CFAC in April, we discussed having a conference call with the team after submittal of these responses. Roux is proposing to have that call on Thursday, June 1<sup>st</sup>. Please let us know if that works for USEPA and MDEQ.
